Drake Loeb PLLC provides a wide range of litigation services to deal with most types of lawsuits and adversarial proceedings in state and federal courts and before various state and federal agencies. Our client base includes individuals, businesses, insurance carriers, municipalities, school districts, and healthcare service providers from all over the Hudson Valley.

We invite you to explore our areas of concentration. As you will note, our skilled litigation team handles insurance defense cases for major carriers in areas including Section 1983 liability claims, medical malpractice, personal injury and property damage, municipal liability, school liability, and civil rights claims. They also regularly handle matters for clients involving contractual claims, shareholder disputes, employment discrimination, overtime and wage issues, personal injury, collection, foreclosure, wrongful death, estate and trust issues, and much more. Our attorneys are available to represent you during all stages of your litigation, including trials and appeals.

If you are looking for high quality, responsive, and aggressive representation in a litigation matter, call us.
