Drake Loeb PLLC has years of experience in defending owners, contractors and subcontractors in personal injury litigation involving claims arising from construction and work site accidents. The firm's focus is to aggressively defend claims at all stages of litigation, including handling all aspects of trial practice and appellate work, if necessary. The firm prides itself on providing efficient, responsive, cost-effective and goal oriented litigation services on behalf of all of its litigation clients. The firm handles all aspects of defense litigation work for a variety of insurance companies and third-party administrators, and has an impressive record of securing the dismissal of claims – often at an early stage of litigation.

If you are interested in retaining an experienced, knowledgeable and aggressive law firm to represent your interests in the defense of a personal injury action arising from a construction or work site accident, please contact us.
