Drake Loeb PLLC has extensive experience in the defense of medical malpractice claims brought against hospitals, physicians, nurses and other health care providers. The attorneys at the firm have successfully defended medical malpractice lawsuits for years, including claims of wrongful death. Their focus is to aggressively defend all claims up through and including trial, with an emphasis on seeking and pursuing avenues leading to an early dismissal whenever they present themselves. The years of experience on the part of our attorneys in handling all varieties of medical malpractice defense litigation has enabled the members of our firm to become intimately familiar with the substantive medical information and issues necessary to the successful defense of medical malpractice claims, while at the same time allowing for the provision of efficient, cost-effective representation. Our attorneys recognize that responsive and informative communication between attorney and client is the key to productive and satisfying relationships, and we strive to meet this standard in all of the cases we handle.

If you are interested in retaining an experienced, knowledgeable and aggressive law firm to represent your interests in the defense of a medical malpractice claim or lawsuit, please contact us.
