Drake Loeb, PLLC has years of experience in defending individuals, businesses and public entities in a wide variety of personal injury and property damage claims in state and federal courts. Our attorneys at the firm have a high level of expertise in defending claims arising from automobile accidents, property defects, snow and ice conditions, design defects, lead paint exposure, dram shop liability, and alleged failures to provide security or adequate supervision – just to name a few. The firm’s focus is to aggressively defend claims at all stages of litigation, including handling all aspects of trial practice and appellate work, if necessary. The firm prides itself on providing efficient, responsive, cost-effective and goal oriented litigation services on behalf of all of its litigation clients. The firm handles all aspects of defense litigation work for a variety of insurance companies and third-party administrators, and it has an impressive record of securing dismissals of claims – often at an early stage of litigation.

If you are interested in retaining an experienced, knowledgeable and aggressive law firm to represent your interests in the defense of a personal injury or property damage claim, please contact us.
