
Access: Supports for Living Names Heller to Board

Attorneys

Glen Heller

Winter 2019

The not-for-profit organization Access: Supports for Living has elected Drake Loeb Partner Glen L. Heller to its Board of Directors. Access provides critical services for those laboring with medical or mental health challenges in our diverse area communities.

Mr. Heller previously served on the Board when it was known as Occupations, Inc. Heller says, "Being able to rejoin and once again be a small part of the mission of Access is so gratifying for me, on both a professional and personal level. As the father of two Autistic children, I know first-hand how important the support services they provide are for the families and individuals out there who face these special challenges on a daily basis. I can't wait to dive back in and see what I can do to help."

Heller will serve on both the Board and the Finance Committee, lending his legal knowledge and vast experience from serving on the Boards of some of our most important institutions in Orange County, including St. Luke's Cornwall Hospital and Hospice of Orange & Sullivan Counties. He concentrates his legal practice on business, tax, elder law, estate planning, and estate administration matters. He is also the proud founder and leader of Boy Scout Troop and Pack 105 for Special Needs Children.
